Welcome Back and Welcome to Our New Receptions
Welcome back. I hope you had an enjoyable break.
Congratulations to the 2018 year students on their results.

A special welcome to our new students and their families. We have also welcomed several new staff members, Jenni Mulraney R-4 teacher and school support officers Suzanne Kerley, Terraise Davey and Carmel Parsons. Peter Button has commenced as grounds person. Unfortunately, there was a water leak in the holidays (beyond Peter’s control) that resulted in the oval not being watered for several weeks. This has been rectified and the oval should be looking green again soon.

The home-group teachers for each class are:
R/1 – Kelly Heading and Jenni Mulraney
1/2 – Angela Ingram
3/4 – Jackie McLoughlin
5/6 – Paul Townsend
7/8 – Tanya Hacket
9/10 – Rafael Aragon
11/12 – Justin Brook

Leadership positions this year:
Deputy Principal – Jess Bawden
Secondary Pathways Coordinator – Nick Turra.
Student Wellbeing Leader – Dave Remfry
Literacy and Numeracy Coach – Kelly Heading
Office Manager – Jodie Mackrill

We have had a very busy first two days back at school with Footsteps, Elevate and the Sammy D Foundation visiting. We are very excited to be part of the Sammy D Foundation’s pilot program ‘True Colours’. The year 5/6 class will be involved in the student-led, critical inquiry module, aimed at preventing bullying and violence. Well done and thank you to our year 11/12 students for cooking and serving the whole school sausage sizzle on Wednesday. They set a wonderful example for the younger students.

Joelene Anderson
Principal
If you are the parent or guardian of a Year 7-12 student, the school would like to encourage you to join a public Facebook group called “PBAS Secondary Pathways”. This group will be managed by Nick Turra our Secondary Pathways coordinator.

The Group will provide information about the South Australian Certificate of Education (SACE), Vocational Training opportunities, study skills information, TAFE & University information and local job and work experience opportunities. It will provide you with opportunities and information to assist your child in the transition from secondary school into further education and the workforce.

Nick Turra
Secondary Pathways Coordinator
Library Notices

**One Card Service Resumption**
If you have tried placing holds via the SA Libraries App or your PC, you will have received notification to say that your holds may be delayed.

Over the Christmas break, the Public Library Service have switched to the new One Card Network courier service. The new service will be provided by Australia Post and book pick-up and delivery is scheduled to begin again around the 4th of February.

We expect some teething issues, especially with the number of books the service transports state-wide. Our delivery days i.e. the days your books will arrive at the library will be Monday and Thursday afternoons.

**Gallery Hanging System**
The library has fitted a new gallery hanging system for the display of arts, quilts and collections. It’s intended that will rotate collections every 2 months. If you are part of a community organisation that would like to have some display space, please contact the library staff.

**Purchasing Reminders**
Members of the community and school are reminded that we can and do purchase books and DVD’s on request. If you are having trouble finding a title for yourself or your child please don’t hesitate to ask.

---

**Year 9/10 English**

I would like to take this opportunity to inform parents and guardians of the Year 9/10 English class that this year, the class will be managing content delivery, assignments and grades through the Edmodo learning management system.

By the end of Week 2, students should have helped one or both parents /guardians to sign up to the system. Edmodo should allow you to see what your child has been learning each lesson, what assignments or quizzes they have due and an indication of your child’s grade based on the latest marked work.

You will only be able to see information relating to your child and you and your child will be able to message me directly with any concerns or queries.

Year 10 can be especially difficult as students learn to navigate a number of extra-curricular activities. It's hoped that in addition to giving you up to date information on your child’s learning, it will facilitate parent, student and teacher co-ordination. Parents will still receive traffic light notifications as per normal school procedures.

Edmodo can be accessed via PC’s, laptops, phones and tablets. Due to the broad number of devices and the nature of IT generally, if you experience any issues with connecting to Edmodo please don’t hesitate to contact me.
