

Port Broughton Area School

Senior School students helped some representatives from the Combined churches cook and serve pancakes for Shrove Tuesday

Students and Staff (especially Mr T) were very excited this week when the Crows Captain Tex Walker and several other players visited the school for a chat and a catch and kick.

A pair of glasses have been found in the school. If your child is missing a pair please contact the front office.

PRINCIPAL'S COMMENT

This week, staff have been involved in Network Learning Groups across the partnership with a wide range of topics discussed. This is a great opportunity for our staff to develop professional links to teachers in other schools and to share practices and learning. Staff were able to choose a group based on their own professional development requirements and are already there has been quite a discussion about what their particular groups are working on. On the Student Free Day on 14th March staff will again meet in their small groups and then will return to our site to continue working through the process for Collaborative Moderation.

The Crows visit on Tuesday was a highlight and capped off an exciting day with pancakes for recess for Shrove Tuesday kindly organised by our Pastoral Care Worker, Peter Button and with the help of our year 11 and 12 students yet again. The surprise that greeted year 3/4 students of the first baby chicken that hatched overnight was a brilliant start to the day.

A reminder Monday 6th March is the AGM for Governing Council, starting at 7.00pm in the library. If you would like to nominate for a position please fill in the nomination form on the opposite page and return as soon as possible. All parents and caregivers are welcome to attend. Sports Day is also fast approaching and if you are able to help out at all either at an event, selling ice-creams for the kindy or working in the canteen, please let us know as soon as possible.

Our condolences this week to Annette Perry and her family on the passing of her mother, whilst at the same time congratulations to Ros Harris on the arrival of her first grandchild.

Bullying Survey

Unfortunately bullying continues to be a problem for many students in Australia. An alarming percentage of children report that they still feel bullied at some point whilst at school.

Bullying is taken seriously here at Port Broughton Area School. Students are encouraged to ask staff for help or to come and see me as the School Counsellor if they feel that they have been on the receiving end of this behaviour.

As an additional strategy to create a safe place for all to learn and grow, all students will be completing a survey at school by the end of next week. I encourage you to talk to your child about this issue and help them to be clear about using this opportunity to report bullying. In this way we can continue to move forward and reduce the impact of bullying by building resilience in our children.

If you have a concern about your child please don't hesitate to contact me at school on 86352 105 or email david.remfry823@schools.sa.edu.au

Thank you,

Dave Remfry

Sports Day Hot Weather Policy

General Information

Sports Day will be held on Friday 17th March (school week 7) at Port Broughton Area School commencing at 8:45am (unless hot weather policy is used – see below).

If cancelled due to hot weather (see attached policy) the next available day is Monday 21st March (school week 8).

Hot Weather Policy

Hot Weather (33-35 degrees)

Sports Day commences at 7:45am (1hr early) when the forecast temperature in Port Pirie for PBAS Sports Day (as advised by the Bureau of Meteorology) three days prior to the event is 33 to 35 degrees.

- School buses run exactly 1 hour early delivering students between 7:30am & 7:35am.
- Morning home group and class time is dispensed with and students move straight to the oval on arrival.
- Tunnel Ball will be excluded from the Sports Day program
- Girls and boys relay events are run concurrently. They remain separate events, are scored and ribbons awarded as two events but happen at the same time.
- *Consideration will be given to cancelling other events on the day. This will be a joint decision made by the two schools sports coordinators and made in the best interests of students.*
- Every effort will be made to conclude Sports Day as early as possible. Buses will run at the conclusion of Sports Day.
- A Sports Day update will go home two full days prior to Sports Day to inform parents.

If 36 degrees or over we cancel and run the next available day going with 'Hot Weather' policy above.

2017 GOVERNING COUNCIL NOMINATION FORM

Food Technology - Year 7

Students in Year 7 have been introduced to 'Routine procedures for practical activities in the Commercial Kitchen' for 4 weeks now. The following is their reflections on this new experience.

Darci:

- Flip a vegetable pikelet safely without splashing fat.
- Know what to do if I can smell gas.
- Peel and dice an onion with a paring knife, without it falling apart and bringing tears to my eyes.

Ava:

- **When Collecting a French Cook's knife from the compactus I need to hold it by my side with knife pointing to the ground and blade facing backwards.**
- Avoid touching my face and hair when preparing food.

Jordan:

- **Learning the 'cutting and folding' technique when adding flour to a muffin mixture.**
- Never leave a knife submerged in washing up water.

Cody:

- When lighting the gas oven look in through the two small holes until the pilot lights up.
- Remember to open the oven door completely.

Annabelle:

- **How to sharpen knives using "Edward Scissorhands".**
- How to remove hot trays or re-arrange racks safely.

Bodhi:

- Test cooked muffins in the middle of the tray with a skewer.
- **To "clean as you go".**

Ashleigh:

- **Never be demonstrative and 'talk' with knives in your hands.**
- **Be organised at the start of practicals with hands washed for as long as it takes "to sing Happy Birthday".**

Gus:

- How to 'cream' butter and sugar together.
- What to do at the end of sifting white SR flour and wholemeal SR flour together.

Tear off and return to front office or Nick Turra

From the Reception Year 1 Class

In the Rec/1 class, we have been talking about what it means to be different. We read the story 'It's OK to be Different' by Todd Parr and after lots of great discussion we wrote a class book about what it means to be different. We also made stick people in Art and they all turned out to look different – just like us! We discovered that many things make us different and that no matter how different we are to someone else, we all still need to help others and be caring. If you would like to read it, our book will be in the classroom this term and after that, you can borrow it from the Library!
