

BETTER SCHOOLS AGREEMENT FOR 2016

Port Broughton Area School will receive

\$39266

This funding is intended to contribute to:

Literacy and Numeracy

- *Improvement of individual identified students reaching the Standard of Education Achievement.*
- *Growth of 10% in each year level of students that achieve DECD SEA in PAT testing*
- *Increasing the number of students achieving in the higher bands of NAPLAN*
- *Increase in the attendance rate and explanations for non-attendance*

Our strategy will be to:

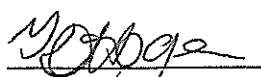

Literacy and Numeracy

- Provide intensive literacy intervention to individual students in a 1-1 environment for a short term basis, and to classes to support teachers through the release of a teacher for 0.1
- Provide workshops for SSO's so that they can maintain consistency in support of teaching practices by releasing teachers to train the SSO's.
- Literacy and numeracy workshops to empower families to support their children.
- Numeracy Intervention through collaborative problem solving approach, with a teacher using 0.2 of time to run small year level weekly sessions for a term.

Attendance

- Implementation of timely and efficient contact home through use of data management system.

A description of the planning and monitoring associated with these strategies will be included in the 2016 School Annual Report.
